Come Check Out A Good
Book!!!

Read-A-Lot Of Books & Win

The purpose of this program is to encourage our students to continue reading during their summer vacation. The more your student reads the more chances they will have to win a prize when they return in the fall.

An exciting addition to the program will be the opening of the school Media Center with summer hours. Students will be able to come and check out books to help make their challenge a success. Additional book logs will also be available at the Media Center counter.

Challenge Rules:

This summer every time your child finishes a book have them write the book title and author on the attached Read-A-Lottery form. For every five books your child reads one lottery ticket will be placed in a drawing. For example if your child reads twenty books they will have four tickets in the drawing. The more your child reads the more chances they will have to win. All students who participate will receive a prize from Midway Sports Center. The book forms will be submitted to their teacher in the fall.

Have a great summer and make sure you READ-A-LOT!!
