Bryant Middle School Staff

invites you to a

Michigan CSI Parent and Community Seminar

Monday, November 4th, 2013

6:30pm

The Parent and Community Seminar presentation provides practical tools including Internet safety tips and how to:

- access the Michigan Sex Offender Registry
- understand the impact of digital footprints
- appreciate the risk of sharing photos with embedded location information
- recognize the potential dangers and legal ramifications of sexting
- identify cyber-bullying warning signs and develop a plan of action if needed
