Dear Howard Community,

July 3, 2018

It is with mixed emotions that I share with you that I will no longer be serving as the Principal at Howard Elementary School. Given the majority of my career has been at the secondary level, I have elected to pursue middle or high school opportunities. While I am excited to further develop my secondary experience, I am grateful for the many wonderful relationships I've developed with Howard students, staff, parents and community. Fortunately, Human Resources will implement the administrative hiring process and the new Principal will be on the Board agenda for approval prior to the start of the school year. Staff and the PTA/parents will soon be contacted by Human Resources to recruit members for the hiring committees.

I want to thank the entire Howard Learning community for giving me the opportunity to be your school leader since February, 2017! It has been an extraordinary experience, and I will always be grateful for having the opportunity to serve this amazing community!

Sincerely,
