Senada Nasser

I have a 5 year old daughter who just started Kindergarten and a 7 year old son who is in second grade. This is our third year as part of the Howard family.

I am a registered nurse and currently taking classes toward my nurse practitioner degree.

I love working with children and feel Howard is a great community to be a part of. I am very excited for this school year and look forward to working with the Howard community.

I truly believe in the African proverb: “It takes a village to raise a child. “

Lori Moustafa

One way to describe me is that I'm a "helicopter mom". I placed my career goals on hold when I had my children and now that they have started school, I decided to follow them and joined the PTA.

My oldest son is starting college at UM-Dearborn this year, my daughter is a senior at Dearborn High, my youngest are at Howard in Kindergarten and 2nd Grade. I've been a part of the PTA for many years. This is my second time serving on a board, with this being my first year as VP.

I know the positive impact it has had on my children to have me involved at their school and I encourage you all to do the same.

Enaaya Saad

All three of my children attend Howard Elementary. My oldest daughter is in the 3rd grade, my second is in the 2nd, and my son just started Kindergarten.

This is my fourth year as a member of the PTA. I was homeroom mom for each of my daughter's classes for the last two years. This is my first year serving on the PTA board as secretary. I am looking forward to working with such a dedicated and enthusiastic group of board members.

Our goal is to be an effective team for the Howard community and that cannot be achieved without the support of all of the stakeholders at our school working together.

Lisa Harajly

My family and I have been a part of the Howard family since preschool. I have three sons, twins in second grade and a son in Kindergarten.

This is my third year being involved in the PTA but my first year serving on the PTA board as Treasurer.

I am excited for the opportunity to help shape our children's future and ensure that everyone has a prosperous and successful school year.

Lina Reda

I am the mother of twins Michael and Madina who are in 4th grade this year. We have been part of the Howard family since Kindergarten.

I love to help out and volunteer at the school. I have been a homeroom mom every year. I used to work as a teacher but have since stopped working in order to be more involved with my children at school and in their activities.

This is my first year on the PTA board. I am looking forward to a good year for all and to work with all of you to help our school succeed.

Joumana Zaghir

This is my 3rd year serving as the VP of membership on the PTA board.

I have 3 children who attend Howard. My daughters are in 3rd and 4th grade and my son just started Kindergarten.

I am excited for this school year and look forward to many more successful and fun years ahead for all of our children at Howard as we work alongside Mrs. Lazar and all of the wonderful staff and teachers at our school!
