### Dearborn Public Schools City Wide Art Show Howard Elementary Art Selections!

Every year I have the tough choice of which 10 pieces of art to take to the Dearborn Youth Arts Festival for the Dearborn Public Schools City Wide Art Show. I make the selection with the help of other students, teachers, administrators and persons in the community I respect for their eye for art.

We look at how well the student met the content objective for the lesson and the skill with which they completed it and the creativity and attention to detail.

This year's selected student art pieces were created by:

Nour Elzeny

Amelie Salame

Olivia Swint

Mikhail Busel

Celine Soueid

Halie Mattison

Leo Wetzel

Arman Mahmud

Ariadna Cortes

Eleanor Beatty

Please stop by the Civic Center/Padzieski Gallery to see the 100's of artworks on display by our remarkable Dearborn Student Artists anytime from April 24, 4:00 pm (Opening Ceremony) through May 29 at 6:00 pm.
